

Dr. Kim's Veterinary clinic

Dr. Kim's office is on "Little 1" road (the main road that goes north and south, to Osan city, Suwon, etc). His office is next to a hospital.

Coming out the main gate, turn right. Then left at the Triangle of Death. Past the Songtan bus station. The last traffic light before Little 1, you can turn right (there will be a sign saying "Parking"), then take the first left. There is a parking garage that is convenient and cheap. Walk towards Little 1, past the restaurants, through the hospital parking lot, then turn right when you get to the sidewalk along Little 1.
